

South Pittsburg Board of Water Works & Sewers has an immediate job opening for a full-time Waste Water Service Tech. Starting pay for this job is \$15.00/HR or based on experience.

Normal Hours: Monday -Friday 7:30 -4:30 (must respond to emergency calls)

South Pittsburg Water Works and Sewers are proud to serve our Customers and Community with safe, reliable, and affordable Utility services. SPWW&S is focused on providing a safe, healthy working environment for our employees and providing the tools they need to succeed. We provide a multitude of training and development opportunities and offer our employees the opportunity to obtain State-licensed certifications to develop skills and enhance their value. To ensure we offer competitive wages and benefits, we benchmark our policies against many industry, area, state, and national reports.

We are currently hiring a Waste Water Maintenance Technician for our Wastewater Plant. Employee shall primarily work in the WWTP Maintenance Division and work periodically in the WWTP Operations Division. Electrical experience and WWTP operations experience is preferred. Employee shall access and operate all process equipment, above and below ground level. Perform maintenance on all operational, mechanical, and electrical equipment, systems, and structures of the wastewater treatment plant. The Wastewater Maintenance Technician (WWTP) position is to be viewed as a training position and must be steadily training to understand and operate all aspects of the wastewater treatment plant preparing to pass the Tennessee Grade 4 Wastewater Treatment Operators certification. Must be in compliance with all state, local, and federal requirements. A valid driver's license required. CDL is preferred, but not required at the time of hire.

This is for a full-time position with excellent benefits including health insurance, dental, vision, company-paid life insurance, company funded retirement plan, vacation time, sick time, and 14 paid holidays. In addition to competitive pay and comprehensive benefits, we also offer advanced, objective reviews that factor directly into compensation. Apply online or in our office at 138 Cedar Ave South Pittsburg, TN 37380.

Education and/or Experience

High School diploma or GED; 1 year of verifiable and acceptable work experience; Must pass a post-offer, pre-employment physical examination, drug test and background check as well as be covered under Research and Special Programs Administration (RSPA) regulations which require pre-employment and random drug screenings and breath alcohol testing.
